

Scholarship Committee Update

Feb 22nd, 2021

Walter Tavares, PhD
Scholarship Committee Chair

SCHOLARSHIP COMMITTEE

The Scholarship Committee is open to all SACME members who are interested in CME/CPD scholarship. The goal of the committee is to foster scholarship through education, mentoring and support of both novice and experienced scholars.

Scholarship

Discovery

build new knowledge
through research

Integration

give meaning to isolated
facts + make connections
across disciplines

Scholarship

Boyer's Model
(1990)

Application

aid societies + professions
in addressing problems

Teaching

educate + enrich
future scholars
share what has been discovered

Society for ACADEMIC
Continuing Medical Education

LEADERSHIP • SCHOLARSHIP • COLLABORATION
